Important Health Warning: Photosensitive Seizures

A very small percentage of people may experience a seizure when exposed to certain visual images, including flashing lights or patterns that may appear in video games. Even people with no history of seizures or epilepsy may have an undiagnosed condition that can cause "photosensitive epileptic seizures" while watching video games. Symptoms can include light-headedness, altered vision, eye or face twitching, jerking or shaking of arms or legs, disorientation, confusion, momentary loss of awareness, and loss of consciousness or convulsions that can lead to injury from falling down or striking nearby objects. **Immediately stop playing and consult a doctor if you experience any of these symptoms.** Parents, watch for or ask children about these symptoms—children and teenagers are more likely to experience these seizures. The risk may be reduced by being farther from the screen; using a smaller screen; playing in a well-lit room, and not playing when drowsy or fatigued. If you or any relatives have a history of seizures or epilepsy, consult a doctor before playing.

SAN ANDREAS

is one of the country’s most diverse visitor destinations, known for its huge size and incredible variety. Although only celebrated for its 3 wildly different main cities each with its own style and attractions to offer – Los Santos, with its celebrities and sprawling ghettos, San Fierro with its eclectic artist community, and Las Venturas with the glitz and glamour of casinos. It has so much more beyond that; such as mountains, ghost towns, dense forests and hot, dry deserts. Take time to visit the whole state and support local businesses.

AIRPORTS

Need to put some distance between you and your associates? The fastest way out of town is by plane from your nearest airport. There are 3 airports in the San Andreas area, don’t expect them to take air miles.

LOS SANTOS AIRPORT

LSX is now the fourth busiest airport in the world. The airport is made up of five gates that are connected by a U-shaped two-level main terminal.

SAN FIERRO AIRPORT

This airport is bordered by the San Fierro Bay and provides a spectacular aerial view of the Giant Bridge as you take off.

LAS VENTURAS AIRPORT

There isn’t a neighborhood in the entire state of San Andreas that we would categorize as ‘safe,’ so we recommend carrying a weapon at all times. Actually 2 is better. Visit the local Ammu-Nation superstore (see map for details) soon after arrival for firearm supplies.

San Andreas is the epitome of consumer society; there’s always something new to buy, spending money feels good, you need to spend money to look good and having the latest gear can be pretty important to those around you. Just remember though money isn’t everything and some things like respect, can only be earned, not bought. The following credit cards are well reputed throughout the state but generally most people prefer cash.

So many shops so little time. Whether it’s the luxury brands like Didier Sachs found in the exclusive stores of Rodeo Drive or a cheap and cheerful no-brand sweatshirt from Binco that you are after, San Andreas has something for everyone, just bring your wallet.
